

AUTHENTIC IRANIAN TEA

Irani Chai

Irani chai, a cherished gem from the heart of India, is a unique blend of black tea and rich mawa or khoya, delivering a sweet and creamy indulgence that leaves a lasting impression on your taste buds.

MR.Irani is proud to present an extraordinary opportunity for aspiring entrepreneurs to become a part of this iconic tradition by joining our Irani chai franchise family.

Originating from the historic Iranian cafes that once flourished in India, Irani chai has captivated generations with its distinctive flavor and soulful experience. Our expertly crafted recipe combines the finest black tea leaves with the essence of mawa, carefully balancing the flavors to create a beverage that is both comforting and invigorating.
